

# Avoid Being a Corrupt Church

## Getting to Know You:

- Talk about one of your favourite activities.

## Going Deeper:

- Read 1 Cor.8 and discuss what scripture teaches about food offered to idols.
  - What are we free in Christ to do?
  - What are we free not to do?
  - What are some ways we could be a stumbling block to others?
  - How could we suspend our freedom for their sakes?
- Read Phil.2:1-11.
  - How should we be treating others in these verses?
  - How might we put others above ourselves practically speaking?
  - What did Jesus do to put others above himself?
- Read 1 Cor.6:18-20.
  - What is the best defense against sexual temptation?
  - Why is God so interested in protecting us from sexual immorality.
  - Discuss the following statement: God is the author of sex and he alone has the authority to define it, not the culture around us.
- How might we hold fast to what we have until Jesus comes?

## **Take it Home:**

- Evaluate to see if you're making compromise in the marketplace or your sex life. If so, make a change in thinking and actions.
