

It's Harvest Time!

Getting to Know You:

- What's your favourite farm animal and why?

Going Deeper:

- Look up John 1:29-34. What did John do in these verses to point people to Jesus?
 - How can you and I help prepare the way for Jesus in other's lives?
- Look up Romans 10:8-17.
 - How does one come to put their faith in Jesus?
 - What's necessary according to vs.14-15 for that to happen?
 - How might we ensure we have beautiful feet?
- When Jesus tells us the laborers are few and to pray about that, what is he asking us to pray?
- Luke 10:4-6 talk about living at peace even when others are against you.
 - Discuss how its possible to live at peace with those antagonistic towards the gospel. Use John 14:27, Rom.15:13 and Eph.2:17 to help you answer.
- Look up Hebrews 13:5 and 1 Tim.6:6-10 and discuss how being content can help our witness and conversely how not being content can harm it.
- What does it mean when the bible declares food clean? Look up Mark 7:19, Rom.14:20-23, Acts 10:9-16, 34-35.

Taking it Home:

- Spend some time this week crafting your testi-mini and bring it next week to share with the group.
