- **Going Deeper**
- Look up Matt.25:31-40 and list the names of Jesus in these verses. Discuss the importance of each of those names.
- Look at Acts 2:44-45. Why do you think this early church practice didn't continue? Look at Acts 5:1-11 to help inform your answer.
- Discuss this statement: The church shouldn't be socialists, but it should be the first to help those in need. How might we better help those in need in our church family individually and collectively?
- How might we help make hospitality a thing we are known for as believers? Look up Heb.13:16 and Rom 12:13 to inform your answer.
- Look up 1 John 3:17 and Matt.25:40, 45-46. How is serving those in need so close to the heart of God and how is it connected to our salvation?
  - o Discuss the following statement: "Good works are not the cause of salvation, but the effect of salvation. Good works result from our relationship with the Good Shepherd." Back up your thoughts with scripture how good works don't save but prove our salvation.
- Look up Revelation 22:6-21. Notice how many times Jesus says he is coming back. What should our response be to the reality of Jesus'

soon return? Why do you think Jesus hasn't yet returned? 2 Peter 3:4-10

# Praying Together

## Getting to Know You:

What is your favourite movie scene of all time and why?

## Going Deeper:

Look up 2 Cor.10:3-5 and discuss how prayer is a weapon of spiritual warfare. List the things prayer does in these verses and discuss how we can implement them into our individual lives and our corporate lives in church.

What are some of the excuses you've made or reasons you've listed for not praying as much or as often as you should. Why do we often default to those reasons instead of praying?

What does it mean to be filled with the Holy Spirit? Why should we ask God to be filled with his Spirit? Look up Eph.5:18 What can we do to prevent being filled by the Spirit according to Eph.4;30, 1 thess.5:19-21,

Look up Col.1:3, Eph.:16, 1 Thess.1:2, Phil.1:3, Rom.1:8. What do these verses have in common? How might we express our gratitude for other believers in tangible ways? How does having a thankful attitude instead of an attitude of

complaining change us?

Read Col.1:4-8 and list what Paul is thankful for. He's thankful specifically for the gospel. What about the gospel should we be thankful for?

He's thankful for Epaphras...look up Col.4:12-13 and notice what Epaphras did for this church. What is the importance of praying for your leaders regularly?

Col.1:9 tells us to petition God on behalf of others. Why is it so crucial we regularly pray on behalf of others? Read and Discuss James 5:16 to assist your answer.

According to Col.1:10-14 what does it mean to live a life that pleases God? Make a list of the things Paul encourages the church to give God glory for in vs.12-14...

### **Take it Home:**

Spend time praying these things over each other in your group and at home...thank God for someone in your group/church and ask God for something from this list for someone in your group/church. Practice this regularly!

## **We The Church – Part 4**

### **Getting to Know You:**

What is the best celebration you have ever attended? What made it so memorable?

### **Going Deeper:**

Read 1 Corinthians 11:17-22 and list the problems that Paul is addressing in this passage. What is Paul's overall concern for

them? For their faith?

- Considering the problems listed, what should our heart attitudes be when we come together for communion?
- Read James 2:1-11. What is the problem with division in the Church of Jesus?
- Look again at James 2:4-5 – specifically, what problems do factions cause when observing communion? Why does this matter for our faith?

Read 1 Corinthians 11:23-26. According to this passage, what is the significance of the New Covenant, and why do we celebrate it when we take communion?

- Read Hebrews 10:1-12. Discuss the ways that Jesus fulfilled the Old Testament Law, and the difference between our faith today and the Jewish faith before Jesus.
- Beyond communion, how else could/should we revere Jesus in his death and resurrection for us? How might we celebrate Jesus in our everyday lives in practical ways?

Read 1 Corinthians 11:27-34.

- Paul said the ‘j’ word – why is taking Communion “in an unworthy manner” so serious to God that we would come under his judgment? What is the sin issue here?
- Look again at verse 32 – why does God discipline us? Also consider Hebrews 12:5-11.
- Look again at verses 28-29. How exactly do we “examine” ourselves? What value does this have for our faith and our church community as we take communion regularly?
- Look again at verses 33-34 – what are some barriers we face to unity in our church family? How might we practically overcome them?

## Taking it Home:

Take time this week to praise Jesus and thank him for dying for you.

# Teaching Together

## Getting to Know You:

Share with the group one of your biggest strengths and one of your biggest weaknesses.

## Going Deeper:

Read Ephesians 4:7-16 together.

- Consider the spiritual gifts mentioned in verse 11, as well as 1 Corinthians 12:4-11. Which of these gifts do you see most strongly in your life? Why?
- How do these 5 gifts specifically help “equip the saints” and “build up the body of Christ” unto spiritual maturity?
- Look again at verse 14 – Do you know anyone who has fallen for false doctrine? What is the danger you see for their faith and life? What could have prevented them from getting swept away by false doctrine?

Read Ephesians 5:15-21 together.

- Consider the truth that while only a few believers will be Pastors and Teachers, most believers will still teach others through the influence and example of their everyday lives.
- How is this truth evidenced in this passage? Specifically how do our everyday lives influence others and grow the Body of Christ? Refer to Colossians 4:6 as well.
- This passage clearly advocates for believers meeting together, however teaching one another through discipleship requires intentionality. What are some examples of barriers

that prevent us from being intentional in our relationships with others? And how can these barriers be overcome?

Read Hebrews 12:3-13 together.

- What does discipline have to do with growing to spiritual maturity?

- What does discipline teach us about God? About ourselves? How should we respond?

Taking it Home:

Ask God to help you be intentional this week about using your everyday interactions with others for His glory.

## The Great Commission

Getting to Know You:

To what extent does sharing the Gospel with others fit into your everyday life? Does it come naturally, or do you find it difficult to do?

Going Deeper:

Bechara Karkafi's message was rooted in the Great Commission, found in Matthew 28:16-20. Read this passage together.

- What does Jesus mean by telling his disciples to "Go"? How are we to act on this command today? Consider 2 Corinthians 2:14-16 and what it means to the world around us that we are followers of Jesus.

- Read Romans 10:14-17. Though most (if not all) of us are not career missionaries, how does this passage apply to us? What stops us from living in all ways as those sent by God?

- What is the difference between 'making a disciple' and 'making a convert'? What does Jesus want to see occur as a

result of his followers (us) discipling others?

o Read 1 Corinthians 10:31-11:1 and Philippians 1:9-11 – What do these passages teach us about what it means to disciple others?

– Read Luke 9:23-26 and 1 John 1:5-2:6. Why is obedience to Christ central to discipleship? And how do we avoid legalism even as we learn (and teach others) to obey Jesus?

– Read Matthew 28:20b one more time

– What difference does (should) it make that Jesus is always with us? In what ways do you live as though he is not? And how, practically, might you begin to change this?

Taking it Home:

Ask God for an opportunity to step out in courage and share the Gospel with someone this week.

## Approach The Throne

Getting to Know You:

On a scale of 1 to 10 – with 1 being “I’m totally at ease” and 10 being “I should be in a straitjacket” – how would you rate your level of stress from this past week, and why?

Going Deeper:

Read Psalm 95 together.

- What actions and attributes of God are declared in this psalm?
- What exhortations and commands does the psalmist give to his readers (us)? In other words, in light of who God is, what is true about us and how do we need to respond?
- Consider the warning in verse 8 and how God responded in the past with the people of Israel (verse 11) – What is God’s rest, and how does belief in him lead to it?

Read Hebrews 4:9-13

- How do “[our] own works” keep us from entering God’s rest for our souls? And why does the author of Hebrews in verse 11 say that is “disobedience”? Read John 6:26-29.
- Consider the negative language used in verses 12-13. It seems like a contradiction that God’s Word convicting us of sin would lead to hope and rest for our souls. How does this work? Share personal examples from your life where this has been true.

Read Hebrews 4:14-16.

- As our ‘Great High Priest’, Jesus intercedes on our behalf before God. According to this passage, what is true about us if we have put our faith in Jesus?
- How should this determine how we should approach God?
- Consider what keeps you from running to Jesus when struggling – what are some practical steps you might take to put what is true (about Jesus, about you) into action?

Taking it Home:

Take time this week to praise God for who he is, and memorize Hebrews 4:16.
